

RECOMMENDED TABLES & SEATING CHART

For the **best paint party experience**, arrange long banquet tables end-to-end with chairs on both sides whenever possible. Round tables also work well when spaced comfortably apart.

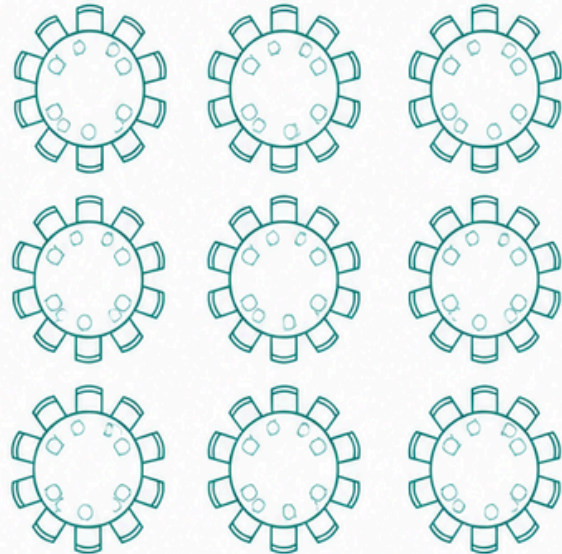

BEST SETUP: LONG TABLE ROWS

- ✓ Arrange tables end-to-end.
- ✓ Chairs on both sides.
- ✓ Leave room for the artist to walk between rows.

GREAT ALTERNATIVE: ROUND TABLES

- ✓ Space tables comfortably apart.
- ✓ Leave walking paths between tables.
- ✓ Great for banquet rooms.

ALLOW ABOUT ONE PLACEMAT OF SPACE PER GUEST

Each painter needs about the space of a standard table placemat for their canvas, paint tray, water cup, and supplies. Please avoid overcrowding seats so everyone can paint comfortably.
